To

The Secretary to the Government of Mysore,
General and Revenue Departments,
Bangalore

Sir,

I have the honour to forward herewith (for
perusal and kind return) letter dated 10th March
1900 together with its enclosure from the Secretary
to the Kolar Gold Field Mining Board. A
furniture grant of Rs 1000 was sanctioned for
the European school in Kolar Gold Fields by
Order No 1455-56 - Sd 7 2-96 dated 28th July
1899. The furniture and apparatus will ac-
cording to the estimate cost Rs 2270 and the
Committee desire to have a working balance
or reserve fund of Rs 500 in hand until the
school comes into full working order and
begins to pay its own way. To meet the total
demand for Rs 2770 the Committee will
have, when the buildings are fully paid for,
about Rs 2000, which amount includes the
furniture grant of Rs 1000 promised by
Government. The Committee now request
that Government in view of the above facts
may be pleased to increase the furniture
grant to Rs 1500 or advance Rs 800 to the

15) School Committee, the advance being recoverable by easy instalments, say of Rs 100 a year, to be deducted from the monthly grant. The Committee represented to me at my recent visit to the Gold Fields that they were unable to make a fresh appeal to the Mining Board who had liberally paid Rs 10,000 as their grant, and requested me to recommend their appeal to Government. I do so with pleasure, as I think the Committee have spent their money very carefully on two substantial buildings specially designed for the school and the school will be under the able and experienced supervision of Rev. Mr. Foley late Headmaster of Bishop Coorve's Grammar School Madras, who is now Chaplain in Kolar Gold Fields. I recommend that an additional furniture grant of Rs 800 may be sanctioned in the budget of 1900-1 for the school. That amount will bring up the total contribution of Government to Rs 9800, while the Mining Board have paid Rs 10,000.

I have the honour to be,

Sir,

Your most obedient servant,

H. Bhabha

The foregoing items amount in all to Rs 2770 and to meet this the Educational Committee will have at their disposal (apart from the Building Account has been fully settled, approximately Rs 2000 which includes the Furniture Grant of Rs 1000, already promised by Government.
